- Provide cost effective and simple Patient Payments over the web.
- Improve payment efficiency for the front office and provide comprehensive payment reporting.

What Our Healthcare Clients Are Saying

"Our practice was introduced to MSP Consulting through our bank. Since converting to the MSP Advantage solution in December 2006, we have realized double the savings we anticipated. With their semi-annual merchant account Performance Reviews, they keep me informed on the important metrics associated with our merchant accounts. Likewise, MSP Consulting is a valued partner who is always there for our practice's support needs."

—Practice Manager
